Management of Marcel Ray Duriez

Marcel Ray Duriez, (Managing Director) Marcel Ray Duriez (founder) I personally am an author, a printed writer, drawer-specialized Artist, Engineer, Psychology-a background in Children's Manners, and English, and capable of getting undeveloped children into reading a story and pulling them in by my creation. topics, (as you can see on my website.) My life has balanced on self-analysis-with storytelling. Yet within the last year, I note most of my accomplishments. The book is made more tempting and captivating by the strong, epic vibes that breathe life and movement into the characters and scenes. The young ladies in the stories and the words they say in this complement me as the author beautifully and help young teens get into the reading habit and understand whom they are becoming as young adults.' Marcel is from North Barnesboro, Pennsylvania. Marcel's schools include Northern Cambria High School. I have over book 100 publications, over 400 artworks.
